Internships

EVOASTRA VENTURES PVT LTD

Front-End Developer Intern

Remote

June 2024 – August 2024

- Contributed to the frontend development of a team project at Evoastra Ventures, designing responsive web pages using HTML and CSS to enhance user experience.
- Collaborated effectively in a team environment, sharing ideas and coordinating tasks to meet project deadlines.
- Gained hands-on experience in problem-solving, embracing feedback, and overcoming perfectionism while balancing innovation and execution.

Projects

Green Cart - E-commerce website that sells eco-friendly products

[Link](#)

Full Stack Project integrated with Chatbot, Stripe, RazorPay

- GreenCart, an eco-friendly e-commerce platform using HTML, CSS, JavaScript, React and Node.js offering sustainable products at affordable prices with a smooth, user-centric UI/UX.
- Integrated Stripe payment gateway for secure transactions, a chatbot for real-time customer support, and a blog section to promote environmental awareness.
- Designed and implemented full-stack functionality with dynamic product listings, user authentication, and responsive layouts for all devices.

Tomato - A food delivering app

[Link](#)

Full Stack Project integrated with Stripe

- Developed a responsive food delivery website "Tomato" using HTML, CSS, JavaScript, and React, focusing on clean UI and seamless UX for intuitive navigation.
- Integrated Stripe payment gateway for secure and smooth checkout experience, enhancing overall user trust and functionality.
- Implemented reusable React components and optimized performance to ensure fast load times and mobile-friendly design.
